Wire Basket Unit

Mobile & covered

AmericanMadeShelving.com offers a huge variety of shelving units including both shelving with bins and shelving with no bins included. We offer both wire & steel shelving units along with a full set of accessories meant to provide added flexibility in meeting most of your shelving needs. Below are pictured some of the wire shelving accessories as well as some mobile shelving carts. Adding wheels to your wire shelving simply adds another dimension to your storage and work flow needs. These wire shelving units provide excellent shelf strength and are quick & simple to assemble. For more information simply either E-mail us at Office@**AmericanMadeSupplies.com** or call us Toll Free at 866-654-4808 Thank you!
