All Steel Sorting & Supply Storage Station

104 Pocket - Legal Depth Corner Sorting Station

Overall as Configured: 96"L x 96"W x 78-1/8" - 87-1/8"H adjustable table height

Sorters: 2 - 60"W Sorters / 1 - 25"W Sorter and all 15-3/4"D x 47-1/8"H

Tables: 2 - 60"W Tables / 1 - 36"W Table all 36"D x 28" - 38"H adjustable height

This all steel compact sorting & supply storage work station includes 104 legal depth sorting pockets sized at 11-1/2"W x 15-1/4"D in 1/2 " adjustable height increments sitting on 3 adjustable height (28"H to 38"H) steel mailroom tables that include under-counter locking storage cabinets keeping work area neat & clean and supplies secure from pilferage while unattended. Table-top risers elevate the sorting units thus keeping the table-tops open for full access & use.

The system is available in the colors grey or putty with tough laminate counter-tops available in 3 color choices of oak, walnut or grey with all counter-tops having plastic edge guards. Each table has steel leg levelers used for leveling tables on uneven floors. Two tables come with sliding doors with locks allowing for secure mail supply storage. The tote rack and totes pictured above are sold separately. Mail carts, mail bags & pouches, tote & tote racks are available and sold separately.

Although pictured in an efficient "L" corner configuration these tables and sorters can be arranged in a wide variety of combinations thus providing great flexibility to meet any mail center operational needs.
